PROFESSIONAL SUMMARY

Frontend Web Developer with one year of experience building responsive, user-focused websites using HTML, CSS, and JavaScript. FreeCodeCamp-certified in Responsive Web Design and JavaScript, with hands-on internship experience delivering web solutions in a professional team environment. Comfortable using Git and GitHub for version control and collaborative development. Seeking to contribute strong front-end fundamentals and a fast-growing skill set to a dynamic development team.

SKILLS

HTML5	CSS3	JavaScript
Git	GitHub	Responsive Design

EXPERIENCE

Web Developer Intern

Eduzone Nigeria

February 2026 – April 2026

- Worked as part of a development team to build and maintain web pages using HTML, CSS, and JavaScript.
- Applied responsive design principles to ensure websites functioned smoothly across devices and screen sizes.
- Used Git and GitHub for version control, collaborative development, and code management.
- Gained practical, professional experience translating design concepts into functional front-end code.

CERTIFICATIONS

- Responsive Web Design — freeCodeCamp.org — September 2026
- Legacy Responsive Web Design V8 — freeCodeCamp.org — September 2026
- JavaScript — freeCodeCamp.org — September 2026
